To Whom It May Concern:

Rock-N-Recovery Inc., a 501 c3 organization dedicated to helping men, women and children in drug and alcohol rehabilitation centers and programs throughout Southern California.

This year we are again co-hosting a special event, the 12th Annual Roque-N-Lifestyles Toy Run. Partnering with Lifestyle Cycles in Anaheim, we provide toys for hundreds of underprivileged children in our local community. Most of these kids have parents that are recovering from alcohol and drug abuse. The event includes live music, food, local vendors, fun activities for the kids and a visit with Santa.

This year's Roque-N-Lifestyles Toy Run will be held Saturday December 9, 2017. Your support and tax deductible gift of goods, services, or monetary support for this event is greatly appreciated and will be used to continue providing clean & sober event's like this and to help those in need this Holiday Season. If you need further information, you can contact any of the officers below. Thank you for your assistance to the success of our program.
